# Rental Application Policy and Procedures

1.) **Equal Housing Opportunity:** We do business in accordance with the federal fair housing laws. It is illegal to discriminate against any person because of race, color, religion, sex, handicap, familial status, or national origin.

2.) **Occupancy guidelines:** To prevent undue stress on plumbing and other building systems, we restrict the number of people who may reside in a unit to two per bedroom plus one. In determining these restrictions, we adhere to all applicable fair housing laws. For example: maximum occupancy of a 2-bedroom property would be 5 persons.

3.) **Rental criteria:** To qualify for a unit you must meet the following criteria:

- Your combined, monthly, documented and verifiable income must be at least three times the monthly rent amount. If you are self-employed we will consider your net income from your recent tax return.
- You must have satisfactory rental history. Persons with past evictions or who owe funds to previous landlords will not be considered.
- Each applicant must have a satisfactory credit history with a credit score of 650 or higher, payments made as agreed and no items in collections. Monthly household debt (including proposed rent) to income ratio no greater than 50%.

\*\*\* Please see individual property advertisement for any additional qualification requirements\*\*\*

4.) **Application process:** We evaluate each application as follows:

- Each adult (18 years or older) must submit a completed and signed rental application
- Each applicant must submit a non-refundable application fee
- Applications are considered in the order of “First Received – First Completed - First Qualified”. Incomplete applications may be superseded by complete applications
- The application process generally takes 24 to 48 hours depending upon how quickly your references provide information to our office.

5.) **Back up Applications:** If you apply for a property which already has a pending application, you will be held as back-up applicant. If the first application is rejected, we will begin processing the next application in line. Even if an applicant ahead of you is accepted, you will be told what maximum rent amount you qualify for and you will be able to move your application to any other homes RentPros has available. The application fee is non-refundable.

6.) **Smoking Policy:** “No smoking of any substance is allowed on the Premises or in common areas, if applicable. All properties may be subject to a local non-smoking ordinance.”

**The undersigned hereby understands and agrees to the above criteria.**

**The following information regarding bed bugs is made In accordance with Civil Code 1954.603.**

1. **Bed Bug Appearance:** Bed bugs have six legs. Adult bed bugs have flat bodies about 1 /4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.
2. **Life Cycle and Reproduction:** An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.
3. Bed bugs can survive for months without feeding.
4. **Bed Bug Bites:** Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.
5. **Common signs and symptoms of a possible bed bug infestation:**
  - a. Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
  - b. Molted bed bug skins, white, sticky eggs, or empty eggshells.
  - c. Very heavily infested areas may have a characteristically sweet odor.
  - d. Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.
6. For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.
7. Tenant shall report suspected infestations by bed bugs to the Landlord or Property Manager at the mailing or email address or phone provided in the Agreement and cooperate with any inspection for and treatment of bed bugs.
8. Landlord will notify tenants of any units inspected by a pest control operator of the findings by such an operator within 2 business days of the receipt of the findings. All Tenants will be notified of confirmed infestations within common areas.
